PROFESSIONAL SUMMARY

Aspiring Web Developer and Graphic/UI Designer with a passion for creativity and technology. Looking for opportunities to learn, grow, and contribute in real projects. Dedicated to delivering clean designs and improving skills in both development and design.

PROJECTS

E - Commerce store | Frontend

- Developed a fully responsive e-commerce website layout with product listings and detail pages.
- Designed a user-friendly interface for better product browsing experience.
- Added basic shopping cart functionality using JavaScript.
- Integrated product filters and search features to enhance usability.
- Focused on modern UI design with appealing product cards and call-to-action buttons.
- Designed banners, product mockups, and visual elements for a professional e-commerce look.
